As the AGM shall be conducted through VC / OAVM, the facility for appointment of Proxy by the Members is not available for this AGM and hence the Proxy Form and Attendance Slip including Route Map are not annexed to this Notice.

3. In compliance with the aforementioned provisions of the Act and Listing Regulations, electronic copy of the Annual Report for the Financial Year 2025-26 is being sent to all the Members whose e-mail addresses are registered with the Company / Depository Participant(s) for communication purposes.

In case any Member is desirous of obtaining hard copy of the Annual Report for the financial year ended March 31, 2026 and Notice of the 35th AGM of the Company, he/she may send request to the Company's e-mail address at info@nalinfin.co.in mentioning Folio No. / DP ID and Client ID.

Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before Saturday, September 19, 2026 through email on info@nalinfin.co.in. The same will be replied by the Company suitably.

4. Pursuant to Section 113 of the Act, institutional / corporate Members are requested to send a duly certified copy of the Board Resolution authorizing their representative to attend and vote at the AGM, before remote e-voting / attending AGM, to info@nalinfin.co.in.
5. In compliance with provisions of Section 108 and Section 110 and other applicable provisions, if any, of the Act, as amended read together with Rule 20 and 22 of Companies (Management and Administration) Rules, 2014 and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 ("Listing Regulations"), SS-2 and MCA Circulars, the Company is pleased to offer remote e-voting facility to all the Members of the Company. For this purpose, the Company has engaged **MUFG Intime India Private Limited ("MUFG")** for facilitating e-voting to enable the members to cast their votes through remote e-voting.
6. The Board of Directors of the Company has appointed Mr. Amrish N. Gandhi, proprietor of M/s. Amrish Gandhi & Associates, Company Secretary in Practice (FCS 8193 and CP No: 5656) as Scrutinizer for conducting the voting process of remote e-voting and remote e-voting during AGM in a fair and transparent manner. The results of the remote e-voting shall be declared to the Stock Exchange within the timeframe prescribed under the Act and Listing Regulations. The results along with the Scrutinizer's Report, shall also be placed on the website of the Company.
7. The Register of Members of the Company shall remain closed from Friday, September 18, 2026 to Thursday, September 24, 2026 (both days inclusive).
8. Members holding shares in electronic form are advised to keep the bank details updated with the respective Depositories, viz., NSDL and CDSL. Member holding shares in physical form are requested to update bank details with the Company's Registrar and Share Transfer Agents ("RTA")-MUFG Intime India Private Limited through email at rnt.helpdesk@in.mpms.mufg.com.

9. **IEPF related information:**

Details of unpaid and unclaimed dividends up to March 31, 2026 are also uploaded on the website of the IEPF Authority and can be accessed through the link: www.iepf.gov.in.

Members are requested to note that the unclaimed dividends will be transferred to the IEPF Authority after the below mentioned last date to claim:

Financial year	Declaration Date	Due Date
2020-21	07th September, 2021	12th October, 2028

10. SEBI has mandated that securities of listed companies can be transferred only in dematerialized form. In view of the above and to avail various benefits of dematerialization, Members are advised to dematerialize shares held by them in physical form, for ease in portfolio management.
11. SEBI, vide its Circular dated November 3, 2021, as amended by circulars dated December 14, 2021, March 16, 2023 and November 17, 2023, has mandated that holders of securities in physical form shall furnish PAN, nomination, contact details (including mobile number), bank account details and specimen signature to the Registrar and Transfer Agent (RTA). In respect of folios wherein any of the aforesaid details are not updated, any payment including dividend, interest or redemption shall be made only through electronic mode with effect from April 1, 2024, upon furnishing of the complete KYC details.
12. Members are requested to submit PAN, or intimate all changes pertaining to their bank details, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, specimen signature (as applicable) etc., to their Depository Participant ("DP") in case of holding in dematerialized form and to the Company's RTA through Form ISR-1, Form ISR-2 and Form ISR-3 (as applicable) available at Investor Relation Section on the Company's website at <http://nalinfin.co.in> in case of holdings in physical form.
13. As per the provisions of the Act and applicable SEBI Circular, Members holding shares in physical form may file nomination in the prescribed Form SH-13 with RTA or make changes to their nomination details through Form SH-14 and Form ISR-3. In respect of shares held in dematerialised form, the nomination form may be filed with the respective DP.
14. Members may please note that SEBI vide its Circular No. SEBI / HO / MIRSD / MIRSD_RTAMB / P / CIR / 2022 / 8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only, while processing Investor service requests, service requests, viz. Issue of duplicate securities certificate; renewal/exchange of securities certificate; endorsement; sub-division / splitting of securities certificate; consolidation of securities certificates / folios; transmission and transposition. Further SEBI vide its circular no. SEBI / HO / MIRSD / MIRSD_RTAMB / P / CIR / 2022 / 65 dated May 18, 2022 has simplified the procedure and standardized the format of documents for transmission of securities.

Accordingly, Members are requested to make service requests to the Company through email info@nalinfin.co.in or by writing to the Company's RTA at rnt.helpdesk@in.mpms.mufg.com by submitting a duly filled and signed Form ISR - 4.

15. SEBI vide Circular no. SEBI / HO / OIAE / OIAE_IAD-1 / P / CIR / 2023 / 131 dated July 31, 2023 (updated as on December 20, 2023) has specified that a Member shall first take up his / her / their grievance with the listed entity by lodging a complaint directly with the concerned listed entity and if the grievance is not redressed satisfactorily, the Member may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal in accordance with the process laid out therein. Only after exhausting all available options for resolution of the grievance, if the Member is not satisfied with the outcome, he / she / they can initiate dispute resolution through the Online Dispute Resolution ("ODR") Portal. Members are requested to take note of the same.

16. E-Voting facility:

The remote e-voting period begins on Monday, September 21, 2026 at 09:00 a.m. and ends on Wednesday, September 23, 2026 at 5:00 p.m. During this period, Shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Thursday, September 17, 2026 may cast their vote electronically. MANAGEMENT DISCUSSION & ANALYSIS

1. INDUSTRY STRUCTURE AND DEVELOPMENTS

India continued to demonstrate resilience during FY 2025-26 despite global geopolitical uncertainties, inflationary pressures and volatile financial markets. Supported by sustained domestic demand, improving infrastructure spending, policy reforms and a stable banking system, the Indian economy maintained its growth trajectory.

The Non-Banking Financial Company (NBFC) sector continues to play a significant role in strengthening financial inclusion by providing timely credit to individuals, small businesses and underserved segments of the economy. NBFCs complement the banking sector by catering to niche customer segments and offering flexible financing solutions.

The Reserve Bank of India (RBI) continued to strengthen the regulatory framework for NBFCs through enhanced governance standards, risk management practices, prudential norms and disclosure requirements. While the evolving regulatory environment has increased compliance expectations, it has also contributed towards improving the overall stability and credibility of the sector.

Your Company, being a Non-Systemically Important Non-Deposit Taking NBFC registered with the Reserve Bank of India, continues to conduct its lending operations in accordance with the applicable regulatory framework while maintaining prudent credit assessment and risk management practices.

The Company believes that the long-term fundamentals of the Indian NBFC sector remain strong, supported by increasing credit penetration, formalisation of the economy, digital adoption and rising demand for organised lending. The Company continues to position itself to capitalise on these opportunities while maintaining prudent lending practices.

2. ECONOMIC OVERVIEW

The Indian economy remained among the fastest-growing major economies during FY 2025-26. Continued emphasis on infrastructure development, digital transformation, formalisation of the economy and increasing financial inclusion created favourable conditions for credit expansion.

The lending environment remained positive across retail and MSME segments. Demand for secured and small-ticket loans continued to witness steady growth, supported by improving economic activity and increased adoption of digital lending processes.

However, the financial services sector continued to operate in an environment characterised by changing interest rate cycles, regulatory developments and the need for strengthened credit monitoring. Institutions with disciplined underwriting standards and robust governance practices remained well positioned to sustain long-term growth.

3. BUSINESS OVERVIEW

Nalin Lease Finance Limited is a Non-Systemically Important Non-Deposit Taking Non-Banking Financial Company (NBFC) registered with the Reserve Bank of India. The Company is primarily engaged in providing fund-based financial services including gold loans, vehicle loans, business loans and other lending activities.

During the financial year under review, the Company continued to focus on maintaining a balanced lending portfolio through disciplined underwriting standards, timely recovery mechanisms and continuous monitoring of asset quality while delivering customer-centric financial solutions. The Company remained committed to strengthening customer relationships, improving operational efficiency and maintaining regulatory compliance.

The management continues to focus on sustainable growth by balancing business expansion with appropriate risk management practices and asset quality monitoring.

4. OPPORTUNITIES AND OUTLOOK

India's expanding economy, rising financial inclusion, increasing formalisation of businesses and growing demand for organised credit continue to provide significant opportunities for the NBFC sector.

The Management believes that demand for secured lending, MSME financing and retail credit will continue to remain favourable. Increased use of technology, digital documentation, and faster loan processing and improved customer experience are expected to support future business growth.

Going forward, the Company intends to focus on:

- strengthening its lending portfolio;
- maintaining high standards of credit appraisal;
- improving operational efficiency;
- enhancing customer service;
- ensuring regulatory compliance; and
- adopting technology-driven processes for sustainable growth.

The management remains cautiously optimistic regarding the Company's future growth prospects while continuing to adopt a prudent approach towards credit risk and capital management.

5. RISKS AND CONCERNS

The financial services business is exposed to various risks including credit risk, liquidity risk, market risk, operational risk, compliance risk, cybersecurity risk, regulatory risk, data privacy risk and interest rate risk.

The Company has established appropriate policies and internal procedures for identification, assessment and monitoring of these risks. Credit appraisal processes, periodic portfolio reviews, monitoring of recoveries and compliance with RBI guidelines form an integral part of the Company's risk management framework.

The Company also evaluates expected credit losses (ECL) on its financial assets in accordance with the applicable Indian Accounting Standards (Ind AS), thereby strengthening the overall provisioning framework.

6. FINANCIAL PERFORMANCE

During FY 2025-26, the Company continued to deliver stable financial performance despite operating in a dynamic business environment.

Key highlights of the financial performance are as under:

Particulars	FY 2025-26	FY 2024-25
Total Assets	₹49.67 Crore	₹37.65 Crore
Loan Portfolio	₹43.59 Crore	₹29.72 Crore
Total Income	₹7.70 Crore	₹7.30 Crore
Profit Before Tax	₹4.14 Crore	₹4.43 Crore
Profit After Tax	₹3.18 Crore	₹3.52 Crore

During the year, the Company's total assets increased by approximately 32%, primarily driven by growth in the loan portfolio. Loans increased from ₹29.72 crore to ₹43.59 crore, reflecting expansion in lending activities. Total income increased to ₹7.70 crore from ₹7.30 crore in the previous year. Profit after tax stood at ₹3.18 crore. The Management remains focused on achieving sustainable growth while maintaining asset quality and adequate provisioning.

7. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has established an adequate system of internal controls commensurate with the size, nature and complexity of its business operations.

The internal control framework is designed to ensure:

- safeguarding of assets;
- accuracy and reliability of financial reporting;
- compliance with applicable laws and regulations;
- efficient utilization of resources; and
- prevention and detection of frauds and errors.

The Company has an internal audit mechanism which periodically reviews operational processes, financial controls and statutory compliance. Audit observations and recommendations are reviewed by the management and the Audit Committee to ensure timely corrective actions.

The Statutory Auditors have also expressed an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

8. HUMAN RESOURCES

The Company recognises that its employees are one of its most valuable assets and continues to focus on developing a professional, ethical and performance-oriented work culture.

The management believes in maintaining healthy employee relations, encouraging continuous learning and providing a conducive work environment that promotes efficiency, integrity and teamwork.

As on **31st March, 2026**, the Company had **16 employees** on its rolls.

9. RISK MANAGEMENT

The Company has implemented an enterprise-wide risk management approach to identify, evaluate and mitigate key business risks.

The Board of Directors and senior management periodically review the Company's risk profile and monitor the effectiveness of risk mitigation measures.

Particular emphasis is placed on:

- credit risk management;
- recovery mechanisms;
- portfolio monitoring;
- liquidity management;
- regulatory compliance;
- information security; and
- operational resilience.

The Company's objective is to maintain a balanced risk-return profile while ensuring long-term financial stability and sustainable business growth.

The Risk Management framework is periodically reviewed by the Board and senior management to ensure its effectiveness in light of changing business and regulatory conditions.

10. CAUTIONARY STATEMENT

Statements made in this Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may constitute "forward-looking statements" within the meaning of applicable laws and regulations. Actual results may differ materially from those expressed or implied due to various factors including economic conditions, changes in government policies, taxation, regulatory developments, interest rate movements, competitive environment and other factors beyond the control of the Company.

The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements on the basis of subsequent developments, information or events.

CORPORATE GOVERNANCE REPORT

The Directors hereby present Corporate Governance Report of the Company for the year ended March 31, 2026, in terms of Regulation 34(3) read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”).

COMPANY’S PHILOSOPHY ON CODE OF GOVERNANCE:

“At the heart of our operations, we believe that strong corporate governance is the cornerstone of sustainable success. Guided by the principles of ethics, trust, and transparency, our approach is rooted in our core values of delivering exceptional customer experiences, fostering resolute trust, driving ingenious entrepreneurship, and creating long-term value for all stakeholders. We are committed to maintaining the highest standards of accountability, ensuring that every decision is made with integrity and with the purpose of enhancing both organizational and societal well-being. By upholding these principles, we are not only securing the future of our company but also creating sustainable long-term value for all stakeholders and contributing to the growth of the financial services sector and the communities we serve.

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members of
Nalin Lease Finance Limited
Gandhi Nursing Home Bldg.
Dr. Nalinkant Gandhi Road,
Himatnagar, Gujarat, India, 383001

Dear Sirs,

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practice by **Nalin Lease Finance Limited (CIN: L65910GJ1990PLC014516)** (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in our opinion, the Company has, during the audit period covering the financial year ended March 31, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the financial year ended **March 31, 2026**, according to the provisions of:

1. The Companies Act, 2013 (‘the Act’) and the rules made thereunder.
2. The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Byelaws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment (FDI) and Overseas Direct Investment (ODI) and External Commercial Borrowings (ECB). – As reported to us there were no FDI, ODI and ECB transactions in the Company during the Audit period.
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’).
 - A. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
 - B. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.

 - F.** The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993. - The Company has appointed SEBI Registered Category I Registrar & Share Transfer Agent.
 - G.** The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021. - Not Applicable to the Company during the Audit Period.
 - H.** The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018. - Not Applicable to the Company during the Audit Period.
- 6.** Further, as per representation of management letter, considering its nature of business, process and location, the following Acts are specifically applicable to the Company. There are adequate systems and processes in the company to monitor and ensure compliance.
- a)** Reserve Bank of India (NBFC-Governance Directions), 2025
- I have also examined compliance with the applicable clauses of the following:
- i.** The Mandatory Secretarial Standards (SS-1 and SS-2) issued by The Institute of Company Secretaries of India.
 - ii.** The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments made thereunder.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards mentioned above.

I further report that;

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Companies Act, 2013.

Due Notice were served on all Directors entitled to receive notice in accordance with section 173(3) of the Companies Act, 2013 for holding Board and Committee meetings. Agenda and detail notes on Agenda were sent to the Directors, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

I further report that as per the minutes of the meetings duly recorded and signed by the Chairman, the decisions were carried at meetings without any dissent.

Based on the Compliance mechanism established by the Company and on the basis of certificates placed before the Board and taken on record by the Directors at their meetings, I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that;

During the period under review, the Members of the Company, through Postal Ballot conducted by way of remote e-voting, approved the appointment of Shri Samsad Alam Khan (DIN: 10591431) as an Independent Non-Executive Director of the Company and the re-appointment and remuneration of Shri Dilipkumar Nalinkant Gandhi (DIN: 00339595) as Chairman and Whole-Time Director and Shri Harsh Dilipkumar Gandhi (DIN: 03120638) as Managing Director of the Company, by passing the respective Special Resolutions with requisite majority on April 13, 2025.

INDEPENDENT AUDITOR'S REPORT

To,

The Members of,

NALIN LEASE FINANCE LIMITED

Himatnagar

CIN -L65910GJ1990PLC014516

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of NALIN LEASE FINANCE LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2026, and the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of Significant Accounting Policies and other Explanatory Information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016;

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
a) Impairment of financial assets (expected credit losses) (as described in note 3.4 of the Ind AS financial statements) Ind AS 109 requires the Company to recognise impairment loss allowance towards its financial assets (designated at amortised cost) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ind AS 109 including: • unbiased, probability weighted outcome under various scenarios; • time value of money; • impact arising from forward looking macro-economic factors and; • availability of reasonable and supportable information without undue costs. Applying these principles involves significant estimation in various aspects, such as: • grouping of borrowers based on homogeneity by using appropriate statistical techniques; • staging of loans and estimation of behavioral life; • determining macro-economic factors impacting credit quality of receivables; • estimation of losses for loan products with no/minimal historical defaults. Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter.	We read and assessed the Company's accounting policies for impairment of financial assets and their compliance with Ind AS 109. We tested the criteria for staging of loans based on their past-due status to check compliance with requirement of Ind AS 109. Tested a sample of performing (stage 1) loans to assess whether any loss indicators were present requiring them to be classified under stage 2 or 3 and vice versa. We evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation and tested the controls around data extraction and validation. Tested the ECL model, including assumptions and underlying computation. Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults. Audited disclosures included in the Ind AS financial statements in respect of expected credit losses.
b) Compliance and disclosure requirements Compliance and disclosure requirements under the applicable Indian Accounting Standards (Ind AS), Reserve Bank of India (RBI) guidelines and other applicable statutory, regulator and financial reporting framework.	Assessed the systems and processes laid down by the Company to appropriately ensure compliance and disclosures as per the applicable Ind AS, RBI guidelines and other applicable statutory, regulatory and financial reporting framework. Designed and performed audit procedures to assess the completeness and correctness of the details disclosed having regard to the assumptions made by the Management in relation to the applicability and extent of disclosure requirements. Relied on internal records of the Company and external confirmations wherever necessary.

Annual Report 2025-26

Information Other than the Standalone Financial Statements and Auditor's Report thereon (Other Information)

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Corporate Overview, Board's Report, Management Discussion and Analysis Report and Report on Corporate Governance in the Annual Report of the Company for the financial year 2025-26, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other Information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- (a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure - A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annual Report 2025-26

As required by Section 143(3) of the Act, based on our audit we report that:-

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended, Except Ind AS-19 on retirement benefits as provision for gratuity is not based on actuarial valuation but on other rational basis while provision for other benefits such as leave encashment has not been made, the effect of the same cannot be quantified, to that extent profit for the year and balance of Profit & Loss account is overstated.
- (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure - B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigations which would impact its financial position in its Standalone Ind AS financial statements;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.
 - (iv)
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities

identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- (v) The Company has not declared or paid any dividend during the year ended 31 March 2026.
- (vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 requires all companies which use accounting software for maintaining their books of account, to use such an accounting software which has a feature of audit trail. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which does not have a feature of audit trail (edit log) facility.

"ANNEXURE A" TO THE INDEPENDENT AUDITORS' REPORT

(The Annexure referred to in Independent Auditors' Report to the members of the Nalin Lease Finance Limited on the standalone financial statements for the year ended March 31, 2026.)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the Standalone financial statements of the Company and taking into consideration the information and explanations given to us, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (b) Property, Plant and Equipment have been physically verified by the Management during the year and no material discrepancies were identified on such verification.
- (c) According to the information and explanations given by the Management, the title deeds of immovable properties included in property, plant and equipment/fixed assets are held in the name of the Company.
- (d) The Company does not held any immovable properties. (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee)
- (e) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended 31 March, 2026.
- (f) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The Company's business does not involve inventories except Stationery & Adhesive Stamp and, accordingly, the requirements under clause 3(ii)(a) of the Order are not applicable to the Company and hence not commented upon.
- (b) The Company has not been sanctioned working capital limits in excess of ₹ five crore in aggregate from banks during the year on the basis of security of current assets of the Company, accordingly, the requirements under clause 3(ii)(b) of the Order are not applicable to the Company.
- (iii) During the year, the Company has made investments in and granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. The Company has not provided any guarantee or security to any other entity during the year. With respect to such investments and loans and advances:
 - (a) The Company's principal business is to give loans, and hence reporting under clause 3(iii)(a) of the Order is not applicable.
 - (b) The investments made and the terms and conditions of the grant of all the loans and advances in the nature of loans, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
 - (c) In respect of loans and advances in the nature of loans (together referred to as "loan assets"), the schedule of repayment of principal and payment of interest has been stipulated. Note 3.4 to the Financial Statements explains the Company's accounting policy relating to impairment of financial assets which include loans assets. Disclosures in respect of such loans have been provided in Note 27 to 29 to the Financial Statements.
 - (d) The total amount overdue for more than 90 days, in respect of loans and advances in the nature

of loans, as at the year-end is ` 5,981.46 thousands. Reasonable steps are been taken by the Company for recovery of the principal and interest as stated in the applicable Regulations and Loan agreements.

- (e) The Company's principal business is to give loans, and hence reporting under clause 3(iii)(e) of the Order is not applicable.
- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.
- (iv) According to information and explanation given to us, the Company has not advanced loans or made investments in or provided guarantees or security to parties covered by section 185 and 186 of the Act. Hence reporting under paragraph 3(iv) of the Order is not applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company being a non-banking financial company registered with the Reserve Bank of India, the provisions of sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014, as amended, with regard to the deposits accepted are not applicable to the Company. We are informed by the Management that no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company in respect of the aforesaid deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, in respect of the services rendered by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) Undisputed statutory dues, including Goods and Service tax (GST), Provident Fund, Employees' State Insurance, Income-tax, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of GST, Provident Fund, Employees' State Insurance, Income-tax, cess and other material statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
 - (c) There were no dues referred in sub clause (a) above which have not been deposited on account of disputes as at March 31, 2026.
- (viii) According to the information and explanations given to us, no transactions relating to previously unrecorded income were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 during the year.
- (ix) According to the information and explanations given to us, in respect of borrowings:
 - (a) The Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.

Annual Report 2025-26

- (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(ix)(e) of the Order is not applicable.
- (f) The Company does not have any subsidiary or associate or joint venture and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

"ANNEXURE B" TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of Nalin Lease Finance Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of internal financial controls over financial reporting with reference to these Standalone Ind AS financial statements

A Company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with

generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements for the Year Ended March 31, 2026

Note 1 : Corporate Information:

Nalin Lease Finance Limited ('NLFL' or 'the company') was incorporated on October 11, 1990 in Himatnagar, Gujarat. The company is Non-Systemically Important Non-Deposit taking non-banking financing company (NBFC) registered with Reserve Bank of India ("RBI") with Registration no. 01.00242. The company provides a wide range of fund based services including gold loans, vehicle loans, business loans etc.

The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On 04 May 2026, Board of Directors of the Company approved and recommended the audited financial statements for consideration and adoption by the shareholders in its Annual General Meeting.

Note 2 : Basis of preparation and presentation

2.1 : Statement of Compliance:

The financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with sub-section (1) of section 210A of the Companies Act, 2013 along with other relevant provisions of the Act, and the Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 ("the NBFC Master Directions") issued by RBI. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied along with compliance with other statutory promulgations require a different treatment.

2.2 : Basis of preparation:

The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- # Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at reporting date
- # Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- # Level 3 inputs are unobservable inputs for the valuation of assets or liabilities

2.3 : Presentation of financial statements::

The financial statement of the company are prepared and presented as per Schedule III (Division III) of the Companies Act, 2013 ("the Act") applicable for Non-Banking Finance Companies ("NBFC"), as notified by the MCA. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The Company classifies its assets and liabilities as financial and non-financial and presents them in the order of liquidity. An analysis regarding expected recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in notes to the financial statements. Financial assets and financial liabilities are generally reported on a gross basis except when, there is an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event and the parties intend to settle on a net basis in the following circumstances:

- i. The normal course of business
- ii. The event of default
- iii. The event of insolvency or bankruptcy of the Company and/or its counterparties

The financial statements are presented in Indian Rupees (INR) which is also its functional currency and all values are rounded to the nearest thousands, except when otherwise indicated.

Critical accounting estimates and judgments

The preparation of the Company's financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those based on Management's estimates. Accounting estimates and judgments are used in various line items in the financial statements for e.g.:

- # Business model assessment [Refer note no. 3.4(i)(a)]
- # Fair value of financial instruments [Refer note no. 3.14, and 28]
- # Effective interest rate (EIR) [Refer note no. 3.1(i)]
- # Impairment of financial assets [Refer note no. 3.4(i), and 27]
- # Provisions and contingent liabilities [Refer note no. 3.10 and 35]
- # Provision for tax expenses [Refer note no. 3.6]

Note 3 : Summary of significant accounting policies:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

3.1 : Revenue recognition:

i) Interest Income

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets [as set out in note no. 3.4(i)] regarded as 'stage 3', the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired [as outlined in note no. 3.4(i)], the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non payment of contractual cashflows is recognised on realisation.

ii) Dividend income

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

iii) Other revenue from operations

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

(a) Fees and commission

The Company recognises service and administration charges towards rendering of additional services to its loan customers on satisfactory completion of service delivery.

Fees on value added services and products are recognised on rendering of services and products to the customer.

Distribution income is earned by selling of services and products of other entities under distribution arrangements. The income so earned is recognised on successful sales on behalf of other entities subject to there being no significant uncertainty of its recovery.

Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognised on realisation.

Late Fees charges are collected from loan customers for late payment of loan instalment and are recognised on realisation.

Cheque return charges are collected from loan customers for cheque return of loan instalment and are recognised on realisation.

Postage charges are collected from loan customers for postage and courier expenses and recognised on realisation.

(b) Sale of services

The Company, on de-recognition of financial assets where a right to service the derecognised financial assets for a fee is retained, recognises the fair value of future service fee income over service obligations cost on net basis as service fee income in the statement of profit or loss and, correspondingly creates a service asset in Balance Sheet. Any subsequent increase in the fair value of service assets is recognised as service income and any decrease is recognised as an expense in the period in which it occurs. The embedded interest component in the service asset is recognised as interest income in line with Ind AS 109 'Financial instruments'.

Other revenues on sale of services are recognised as per Ind AS 115 'Revenue From Contracts with Customers' as articulated above in 'other revenue from operations'.

(c) Recoveries of financial assets written off

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

iv) Taxes

Incomes are recognised net of the Goods and Services Tax, wherever applicable.

3.2 : Expenditures:**(i) Finance costs**

Borrowing costs on financial liabilities are recognised using the EIR [refer note no. 3.1(i)].

(ii) Fees and commission expenses

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognised in the Statement of Profit and Loss on an accrual basis.

(iii) Taxes

Expenses are recognised net of the Goods and Services Tax except where credit for the input tax is not statutorily permitted.

3.3 : Cash and cash equivalents:

Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.4 : Financial instruments:

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date.

(i) Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

Initial measurement

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

Subsequent measurement

The Company classifies its financial assets into various measurement categories. The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets.

a) Financial assets measured at amortised cost

A financial asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio, and the period for which the interest rate is set.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument by instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated financial assets going forward.

The business model of the Company for assets subsequently measured at amortised cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios on the books of the Company, it may enter into immaterial and/or infrequent transactions to sell these portfolios to banks and/or asset reconstruction companies without affecting the business model of the Company.

After initial measurement, such financial assets are subsequently measured at amortised cost on effective interest rate (EIR). For further details, refer note no. 3.1(i). The expected credit loss (ECL) calculation for debt instruments at amortised cost is explained in subsequent notes in this section.

b) Financial assets measured at fair value through other comprehensive income (FVOCI)

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets measured at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Derecognition

The Company derecognizes a financial asset when the contractual cash flows from the asset expire or it transfers its rights to receive contractual cash flows from the financial asset in a transaction in which substantially all the risks and rewards of ownership are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognized as a separate asset or liability.

Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' model (ECL), for evaluating impairment of financial assets other than those measured at Fair value through profit and loss.

Overview of the Expected Credit Loss (ECL) model

Expected Credit Loss, at each reporting date, is measured through a loss allowance for a financial asset:

- # At an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition.
- # At an amount equal to 12-month expected credit losses, if the credit risk on a financial instrument has not increased significantly since initial recognition.

Lifetime expected credit losses means expected credit losses that result from all possible default events over the expected life of a financial asset.

12-month expected credit losses means the portion of Lifetime ECL that represent the ECLs that result from default events on financial assets that are possible within the 12 months after the reporting date.

The Company performs an assessment, at the end of each reporting period, of whether a financial assets credit risk has increased significantly since initial recognition. When making the assessment, the change in the risk of a default occurring over the expected life of the financial instrument is used instead of the change in the amount of expected credit losses.

Based on the above process, the Company categorises its loans into three stages as described below:

For non-impaired financial assets

- # Stage 1 is comprised of all non-impaired financial assets which have not experienced a significant increase in credit risk (SICR) since initial recognition. A 12-month ECL provision is made for stage 1 financial assets. In assessing whether credit risk has increased significantly, the Company compares the risk of a default occurring on the financial asset as at the reporting date with the risk of a default occurring on the financial asset as at the date of initial recognition.
- # Stage 2 is comprised of all non-impaired financial assets which have experienced a significant increase in credit risk since initial recognition. The Company recognises lifetime ECL for stage 2 financial assets. In subsequent reporting periods, if the credit risk of the financial instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then entities shall revert to recognizing 12 months ECL provision.

For impaired financial assets:

Financial assets are classified as stage 3 when there is objective evidence of impairment as a result of one or more loss events that have occurred after initial recognition with a negative impact on the estimated future cash flows of a loan or a portfolio of loans. The Company recognises lifetime ECL for impaired financial assets.

The Company recognises a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether:

- # Contractual payments of either principal or interest are past due for more than 90 days;
- # The loan is otherwise considered to be in default.

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months– post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Interest income is recognised by applying the EIR to the net amortised cost amount i.e. gross carrying amount less ECL allowance.

The Company recognises loss allowance for ECLs on Loans and advances to customers as per Income recognition, Asset Classification and Provisioning (IRACP) norms notified by RBI.

A more detailed description of the methodology used for ECL is covered in the 'credit risk' section of note no. 27.

Estimation of Expected Credit Loss

The mechanics of the ECL calculations are outlined below and the key elements are, as follows:

Probability of Default (PD) - The Probability of Default is an estimate of the likelihood of default over a given time horizon. The Company uses historical information where available to determine PD. Considering the different products and schemes, the Company has bifurcated its loan portfolio into various pools. For certain pools where historical information is available, the PD is calculated considering fresh slippage of past years. For those pools where historical information is not available, the PD/ default rates as stated by external reporting agencies is considered.

Exposure at Default (EAD) - The Exposure at Default is an estimate of the exposure at a future default date, considering expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest from missed payments.

Loss Given Default (LGD) - The Loss Given Default is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realisation of any collateral.

Forward looking information

While estimating the expected credit losses, the Company reviews macro-economic developments occurring in the economy and market it operates in. On a periodic basis, the Company analyses if there is any relationship between key economic trends like GDP, unemployment rates, benchmark rates set by the Reserve Bank of India, inflation etc. with the estimate of PD, LGD determined by the Company based on its internal data. While the internal estimates of PD, LGD rates by the Company may not be always reflective of such relationships, temporary overlays, if any, are embedded in the methodology to reflect such macro-economic trends reasonably.

To mitigate its credit risks on financial assets, the Company seeks to use collateral, where possible. The collateral comes in various forms, such as cash, securities, letters of credit/guarantees, vehicles, etc. However, the fair value of collateral affects the calculation of ECL. The collateral is majorly the property for which the loan is given. The fair value of the same is based on data provided by third party or management judgements.

Loans are written off (either partially or in full) when there is no realistic prospect of recovery. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subjected to write-offs. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

(ii) Financial liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings.

Initial measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, and other borrowings.

Subsequent measurement

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR [Refer note no. 3.1(i)]. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in profit or loss.

(iii) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

3.5 : Investments in Subsidiaries, Associates and Joint Ventures:

Investment in subsidiaries is recognised at cost and are not adjusted to fair value at the end of each reporting period as allowed by Ind AS 27 'Separate financial statement'. Cost of investment represents amount paid for acquisition of the said investment and a proportionate recognition of the fair value of shares granted to employees of subsidiary under a group share based payment arrangement.

The Company assesses at the end of each reporting period, if there are any indications that the said investment may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the changes in fair value through other comprehensive income (FVOCI).

3.6 : Taxes:**(i) Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) **Deferred tax**

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets, if any, are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.7 : Property, plant and equipment:

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Advances paid towards the acquisition of fixed assets, outstanding at each reporting date are shown under other non-financial assets. The cost of property, plant and equipment not ready for its intended use at each reporting date are disclosed as capital work-in-progress.

Subsequent expenditure related to the asset are added to its carrying amount or recognised as a separate asset only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance and cost can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

Depreciation

Depreciation on Property, Plant and Equipment is calculated using Straight line method (SLM) to write down the cost of property and equipment to their residual values over their estimated useful lives which is in line with the estimated useful life as specified in Schedule II of the Companies Act, 2013.

Nature of Assets	Management estimate of Useful life	Useful life as per Schedule II
Computer Equipment	3 Years	3 Years
Office Equipment*	3 Years	5 Years
Buildings	60 Years	60 Years
Furniture & Fixtures	10 Years	10 Years
Vehicles	8 Years	8 Years
Electrical installations	10 Years	10 Years

*The company has estimated useful life which is different from schedule II useful life based on technical advice obtained by the management.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Changes in the expected useful life are accounted for by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.

Property plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

3.8 : Intangible assets and amortisation thereof :

Intangible assets, representing softwares are initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment. The intangible assets are amortised using the straight line method over a period of five years, which is the Management's estimate of its useful life. The useful lives of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

3.9 : Impairment of non-financial assets:

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

3.10:Provisions and contingent liabilities:

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.11 :Foreign currency translation:

The Company's financial statements are presented in Indian Rupee, which is also the Company's functional currency.

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are re-translated using the exchange rate prevailing at the reporting date. Nonmonetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Exchange differences

All exchange differences are accounted in the Statement of Profit and Loss.

3.12:Retirement and other employee benefits:

- (i) **Short term employee benefits:** Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.
- (ii) **Post-employment benefits:** (a) Defined contribution plans: The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/ payable under the schemes is recognised during the period in which the employee renders the related service.

The Company has adopted the policy of accounting for retirement & other employee benefits on actual payment basis. As explained by the Company, PF & ESIC is not applicable to the Company.

3.13:Leases:

With effect from 1 April 2019, the Company has applied Ind AS 116 'Leases' for all long term and material lease contracts covered by the Ind AS. The Company has adopted modified retrospective approach as stated in Ind AS 116 for all applicable leases on the date of adoption.

Measurement of Lease Liability

At the time of initial recognition, the Company measures lease liability as present value of all lease payments discounted using the Company's incremental cost of borrowing and directly attributable costs. Subsequently, the lease liability is –

- (i) increased by interest on lease liability;
- (ii) reduced by lease payments made; and
- (iii) remeasured to reflect any reassessment or lease modifications specified in Ind AS 116 'Leases', or to reflect revised fixed lease payments.

Measurement of Right-of-use assets

At the time of initial recognition, the Company measures 'Right-of-use assets' as present value of all lease payments discounted using the Company's incremental cost of borrowing w.r.t said lease

contract. Subsequently, 'Right-of-use assets' is measured using cost model i.e. at cost less any accumulated depreciation and any accumulated impairment losses adjusted for any remeasurement of the lease liability specified in Ind AS 116 'Leases'.

Depreciation on 'Right-of-use assets' is provided on straight line basis over the lease period.

3.14 : Fair value measurement:

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole. For a detailed information on the fair value hierarchy, refer note no. 28.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

3.15 : Statement of cash flows:

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- (i) changes during the period in operating receivables and payables transactions of a non-cash nature
- (ii) non-cash items such as depreciation, provisions, deferred taxes, unrealised gains and losses; and
- (iii) all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

3.16 : Earnings per share:

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

3.17 : Operating cycle for current and non-current classification:

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.18 : Segments:

The Company is engaged primarily on the business of “Financing” only, taking into account the risks and returns, the organization structure and the internal reporting systems, in India. All other activities of the Company revolve around the main business. This in the context of Ind AS 108 – Operating Segments reporting is considered to constitute one reportable segment.

3.19 : Recent pronouncements:

The Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules, as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 – The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and, based on its evaluation, has determined that it does not have any significant impact on its financial statements.

In August 2025, MCA notified the following amendments:

i) Ind AS 1 - Presentation of Financial Statements, applicable w.e.f. April 1, 2025

The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and noncurrent liabilities.

ii) Ind AS 7 - Statement of Cash Flows and Ind AS 107 - Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025

The amendment in Ind AS 7 requires entities to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and, based on its evaluation, it has made appropriate disclosures in the standalone financial statements.

iii) Ind AS 12 - International Tax Reform - Pillar Two Model Rules apply immediately

The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively and there is no material financial impact due to application of the Pillar two rules.

19.1 Nature and purpose of reserve

Securities Premium

Securities premium is used to record the premium on issue of shares. It can be utilised only for limited purposes in accordance with the provisions of the Companies Act, 2013.

Statutory Reserve (u/s 45 IC of RBI Act)

The Company created a reserve pursuant to section 45 IC the Reserve Bank of India Act, 1934 by transferring amount not less than twenty per cent of its net profit every year as disclosed in the Statement of Profit and Loss and before any dividend is declared.

General Reserve

Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of profit for the period at a specified percentage in accordance with applicable regulations. Consequent to introduction of Companies Act 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of Companies Act, 2013.

Retained earnings

This Reserve represents the cumulative profits of the Company. This Reserve can be utilized in accordance with the provisions of the Companies Act, 2013.

Note 27 : Disclosure pursuant to Ind AS 107 “Financial Instruments: Disclosures”: Financial risk management

The Company's principal financial liabilities comprise borrowings and other financial liabilities. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include loan and advances, cash and cash equivalents that derive directly from its operations.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's board of directors has an overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the risk management committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports regularly to the board of directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk

Annual Report 2025-26

management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company's risk management committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The major risks are summarised below:

1- Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party to financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables from customers and loans. The carrying amounts of financial assets represent the maximum credit risk exposure. The Company's major income generating activity is gold loan, vehicle loan, business loans and others. Therefore credit risk is a principal risk. Credit risk mainly arises from loans and advances to customers that are an asset position. The Company considers all elements of credit risk exposure such as counterparty default risk, risk of not taking collateral against loans, geographical risk and sector risk for risk management purposes.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry. The risk management committee has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information etc.

Policies and procedure for credit risk for different products

The Company addresses credit risk by following different processes for different product:

Gold Loan

- a) Credit risk on Gold loan is considerably reduced as collateral is in the form of Gold ornaments which can be easily liquidated and there is only a distant possibility of losses due to adequate margin of 25% or more retained while disbursing the loan. Credit risk is further reduced through a quick but careful collateral appraisal and loan approval process. Hence overall, the Credit risk is normally low.
- b) Sanctioning powers for Gold Loans is delegated to Manager of the company. Sanctioning powers is used only for granting loans for legally permitted purposes. The maximum Loan to Value stipulated by the Reserve Bank of India does not exceed under any circumstances.
- c) Gold ornaments brought for pledge is the primary responsibility of Manager. Extra care is taken if the gold jewellery brought for pledge by any customer at any one time or cumulatively is more than 20 gm. Manager records the questions asked to the customer for ascertaining the ownership of the gold jewellery and also the responses given by the customer in a register for future reference.
- d) Auctions are conducted as per the Auction Policy of the Company and the guidelines issued by Reserve Bank of India. Auction is generally conducted before loan amount plus interest exceeds realizable value of gold. After reasonable time is given to the customers for release after loan becomes overdue and exhausting all efforts for persuasive recovery, auction is resorted to as the last measure in unavoidable cases. Company has the right to recover dues remaining even after set off of amount received on auctions from the customer. Any excess amount received on auctions over and above the dues are refunded to the customer.

Vehicle Loan

The credit risk management policy of the Group seeks to have following controls and key metrics that allows credit risks to be identified, assessed, monitored and reported in a timely and efficient manner in compliance with regulatory requirements:

- i) Standardize the process of identifying new risks and designing appropriate controls for these risks
- ii) Minimize losses due to defaults or untimely payments by borrowers
- iii) Maintain an appropriate credit administration and loan review system
- iv) Design appropriate credit risk mitigation techniques

The Company's exposure to credit risk for loans and advances by type of counterparty is as follows:

Particulars	(₹ in thousands)	
	Gross Carrying Amount	
	31/03/2026	31/03/2025
Gold Loan	2,90,801.60	1,94,586.33
Vehicle Loan	1,45,906.77	1,02,673.95
Business & Other Loan	3,236.95	2,369.26
	4,39,945.31	2,99,629.54

An impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the loan receivables are categorised into Company's based on days past due. Each Company is then assessed for impairment using the ECL model as per the provisions of Ind AS 109 - financial instruments. The Company recognises loss allowance for ECLs on Loans and advances to customers as per Income recognition, Asset Classification and Provisioning (IRACP) norms notified by RBI.

Staging:

As per the provision of Ind AS 109 general approach all financial instruments are allocated to stage 1 on initial recognition. However, if a significant increase in credit risk is identified at the reporting date compared with the initial recognition, then an instrument is transferred to stage 2. If there is objective evidence of impairment, then the asset is credit impaired and transferred to stage 3.

The Company considers a financial instrument defaulted and therefore Stage 3 (credit-impaired) for ECL calculations in all cases when the borrower becomes 90 days past due on its contractual payments.

2- Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due. The Company's objective is to provide financial resources to meet its business objectives in a timely, cost effective and reliable manner and to manage its capital structure. A balance between continuity of funding and flexibility is maintained through the use of various types of borrowings.

The company's principal sources of liability are cash and cash equivalents, cash flow from operations and available unutilised credit limit sanctioned by bank and nbfc. The company believes that cash flow from operations and the working capital is sufficient to meet its current requirements and accordingly no liquidity risk is perceived.

3- Market rate risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. In the case of the Company, market risk primarily impacts financial instruments measured at fair value through profit or loss. Market risk includes interest rate risk and foreign currency risk.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have exposure to the risk of changes in market interest rate as it has debt obligations with fixed interest rates which are measured at amortised cost.

b) Foreign currency risk

The Company does not have any instrument denominated or traded in foreign currency. Hence, such risk does not affect the Company.

4- Price risk

For Gold Loan

Sudden fall in the gold price and fall in the value of the pledged gold ornaments can result in some of the customers to default if the loan amount and interest exceeds the market value of gold. This risk is in part mitigated by a minimum 25% margin retained on the value of jewellery for the purpose of calculation of the loan amount. Further, we appraise the jewellery collateral solely based on the weight of its gold content, excluding weight and value of the stone studded in the jewellery. In addition, the sentimental value of the gold jewellery to the customers may induce repayment and redemption of the collateral even if the value of gold ornaments falls below the value of the repayment amount. An occasional decrease in gold prices will increase price risk significantly on account of our adequate collateral security margins. However, a sustained decrease in the market price of gold can additionally cause a decrease in the size of our loan portfolio and our interest income.

For Market Listed Investments measured at fair value through P&L

The Company's quoted equity, Mutual fund and other market link investment carry a risk of change in prices. To manage its price risk arising from investments in equity, Mutual fund and other market link securities, the Company periodically monitors the sectors it has invested in, performance of the investee companies and measures mark- to- market gains/(losses).

The Company has not disclosed the fair values for cash and cash equivalents and Bank balances other than cash and cash equivalents as these are short term in nature and their carrying amounts are a reasonable approximation of fair value.

Measurement of fair values

i) Valuation techniques and significant unobservable inputs

The carrying amounts of financial assets and liabilities which are at amortised cost are considered to be the same as their fair values as there is no material differences in the carrying values presented.

ii) Financial instruments - fair value

The fair value of financial instruments have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurement).

The categories used are as follows:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices;

Level 2: The fair value of financial instruments that are not traded in active market is determined using valuation technique which maximizes the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value on instrument are observable, the instrument is included in level 2; and

Level 3: If one or more of significant input is not based on observable market data, the instrument is included in level 3.

iii) Transfers between levels I and II

There has been no transfer in between level I and level II.
